AIR SAFARIS

8 or 9 Days Out Of Africa
Tsavo, Amboseli & the Maasai Mara (Kenya)

A True Kenyan Adventure

Start:
Nairobi or Mombasa

Finish:
Nairobi or Mombasa

A quintessential wildlife safari,

combining some of the very best of southern Kenya's
most fabled game viewing destinations by air.

Travel across breathtaking savannah plains, see wildlife in its natural habitat
and meet briefly, rich tribal cultures. Soar silently, high above a million
strong trailing wildebeest in a hot air balloon as the dawn awakens and
watch mingling herds of Elephant on the mara plains below.
Take time and relax with a soothing wellness treatment and
watch the wilderness of Tsavo happen before you.

Enjoy luxury eco-safari camps and wildlife encounters up close, explore true African wilderness on foot, beneath the snows of Kilimanjaro, in the company of Masaai warriors and journey between destinations, low level, in a privately configured executive Cessna Caravan, the perfect bush aircraft.

A truly harmonious blend of nostalgia and contemporary luxury on a uniquely magical Out Of Africa safari flying experience.
