Amboseli, Lakes Natron and Magadi and the Maasai Mara

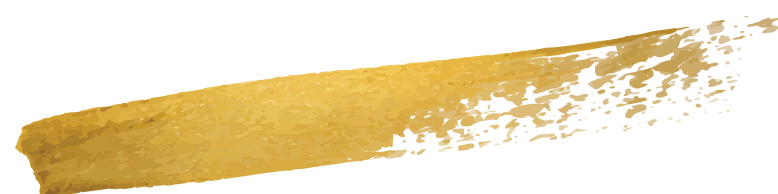

The Ultimate *Safari* Experience

Start:
Nairobi, Kenya

Finish:
Nairobi, Kenya

This magnificent journey takes you to the

foothills of Kilimanjaro,
the shores of the Great Rift Valley

soda sister Lakes, Natron and Magadi and onto the acclaimed Maasai Mara National Game Reserve. Mix wildlife and culture as you traverse three contrasting ecosystems with spectacular aerial flights and exceptional photographic opportunities.

Wing your way across some of East Africa's most beautiful and spectacular aerial scenery. Marry two of Kenya's best known wildlife locations; Amboseli and the Maasai Mara, add a complement of two unique and serene soda lakes in the southern most wilderness of Kenya's southern Rift Valley and discover the synergy of Maasai culture and wildlife interaction, first hand, in its wildest and purest form.

OMNIPRESENT

Wake with the snows of Kilimanjaro
omnipresent before you, the Mara Plains.

Dance with the Maasai and fly above the vast kaleidoscopes
of colour that are hundreds of thousands of lesser pink flamingos
on Lake Natron, as Africa unveils her colours before you.

Watch the mist clear above Shompole Hill, as Aardwolf stalk their prey early in the morning.
You'll meet primate experts at the base of the impressive Nguruman Escarpment and
learn about the complex social structures of baboon troops.

On clear day, catch a glimpse of the still active volcano sacred to the Maasai;
Ol Donyo Lengai 'Mountain of God' and watch elephants quenching
their thirst at sunset in the marshes of Amboseli.
