

Cessna 208B Grand Caravan

Our newly acquired Grand Caravan EX is the same thoroughbred but with enhanced capabilities. Additional horsepower, a four bladed prop and the next generation G1000 (NXi) flight deck, providing dependable and efficient performance, enabling us to do more.

The Grand Caravan EX turboprop was engineered for challenging missions, high payloads and short, rough runways while delivering single-engine economy and simplicity.

In executive configuration our EX seats up to 11 passengers, in leather upholstered seats, a dual position divan at the rear, all with the convenience of first class surroundings.
